

# Westminster School for Young Children

Issue No. 1 | August 2021

## Safety is Our Number 1 Priority!

First, I want to thank each one of you for entrusting your child to us at WSYC for the 2021-2022 school year. We are so grateful for all of you and for the support that you have given us by your generosity. Here at WSYC, we want to make sure that our classroom environments are as safe as possible for all of our students, families, and teachers. You will find a lot of information embedded in our website and in this newsletter to hopefully answer a lot of the questions that you might have. Please always reach out to us if you have additional questions at any time.

The following handbooks contain most of the information that you will need to prepare for the beginning of the school year. They will cover **mask requirements, classroom and outdoor environments, arrival and pick up procedures, illnesses, tuition**, etc.
